

GINGER FROST HIGH SCHOOL HONORS ARTISTS

Advanced *opera*
training for the
aspiring young singer

Ginger Frost High School Honors Artists is an exclusive program for high school singers serious about exploring the world of opera and professional singing. Each year a select group of talented students is chosen by auditioning for the same “eyes and ears” that cast our mainstage productions.

Honors Artists become an integral part of Lyric Opera of Kansas City. They get behind-the-scenes access as they work on their **Dream Role Project**, in which they learn role preparation techniques and observe mainstage artists develop those roles in rehearsal and performance. They take part in a series of **free Master Classes** led by respected opera professionals including singers, conductors, and directors. They also represent Lyric Opera by singing or assisting for various events, culminating in a spring recital.
